ASK ABOUT OUR RANGE OF PUMPS...

- Critical Features & Benefits:**
- The all important base radius and Australian Standards
 - Made using virgin grade Australian Standard 4020 compliant raw material for contact with drinking water
 - Massive 10 Year Warranty on all tanks, fix or replace guarantee, not pro rata like many others
 - Corrugated Iron look in many models available for that special aesthetic appeal
 - All tanks are designed and meet stringent finite elements analysis (F.E.A.) by independent engineers
 - Tanks designed for maximum hoop strength and prevent bulge or splitting
